— Bob (Nashville, TN)

"You make the history of the Biblical Heartland and its prophecies of miracles come alive for us in these troubling times"

— Janet (Dallas, TX)

David Rubin gives valuable insights into God's miracles in the Biblical Heartland today from the perspective of one who lives there, bravely facing its challenges every day, and making history through the children of Israel.

David Rubin is a former Mayor of Shiloh, Israel and lives on a hilltop overlooking the site of Ancient Shiloh, where the Tabernacle stood for 369 years in the time of Joshua, Hannah, and Samuel the Prophet. He is the Founder and President of the Shiloh Israel Children's Fund (www.ShilohIsraelChildren.org), established after he and his three-year-old son were wounded in a vicious terror attack, but saved by G-d's miracles. David is the author of the inspiring book, "God, Israel, and Shiloh", an exciting journey through Israel's difficult history, leading to the Divinely-directed return to the Biblical heartland. He has been on the 700 Club (CBN) and many other TV shows, on radio shows, including Janet Parshall, and has published numerous articles.
